-

UNIT 2

REAL 19/02/2021 by 6pm

- **2000** word Essay (100%) on **one** of the following:
 - “AI is not capable of true creativity.”
 - “In the future, AI is likely to have a positive impact on how creative professionals (e.g., artists or designers) do their work.”
 - “Considerations of ethics are not relevant to creative uses of AI.”
 - Harvard Referenced
-

UNIT 3

MOCK 12/01/2021

- Presentation (100%)

I would like you to create a 2 minute slide presentation that is videoed about your idea for the assessment. You don't need to have built anything, but you can include sketches, research images and text in the slides. Record the presentation, create a pdf of the slide and a text document with a link to the recording.

REAL 11/02/2021

- Presentation (100%)

You are to record and present your creative work to your peers and upload the 'slide deck' from the presentation. This presentation should demonstrate your creative practice and process an answer to set briefs. Full guidance on this assessment will be provided during classes.
